Vitros

Ultra-slim clear case

Moshi's Vitros for iPhone is a slim, clear case that provides drop-protection in a minimalist form factor. Its shock-absorbing frame uses a proprietary metal-vaporization process to create a high-gloss finish that is subtle and refined. Not only stylish, Vitros safeguards your iPhone from drops, scratches, and shocks, while also supporting your device's built-in wireless charging.

features

- Slim case with military-grade drop protection.
- Premium finishing resists abrasion, heat, and bending.
- MicroGrid™ technology ensures clarity and prevents watermarks.
- Fully-encased volume and power buttons.
- Metallized frame with multiple color options.
- Raised bezel to protect your touchscreen when laid flat.
- Compatible with wireless charging.

VersaCover

iPad Case with Folding Cover and Stand

Protect your iPad in style with VersaCover's award-winning design. Inspired by origami, its unique folding cover displays your iPad at all the right angles for typing, reading, and browsing the web. A soft microfiber cover shields the display while a shock-absorbing frame bonded to a shatter-proof hardshell case protects your device's aluminum back from scratches and shocks. VersaCover's built-in magnet assembly supports iPad's auto-wake/sleep feature for quick access to all your apps and media.

features

- Shock-absorbing frame offers durable, 360-degree protection.
- Unique origami folding cover doubles as a stand.
- Stand supports three viewing angles: typing, reading and browsing.
- Supports iPad's auto-wake/sleep function.
- Easy access to all iPad buttons and cameras.

VersaCover

case with folding cover

Protect your iPad Pro in style with VersaCover. Unlock new functionality for typing, reading, and browsing the web thanks to this case's innovative origami folding design.

features

- Supports both portrait and landscape viewing modes.
- Microfiber-lined front cover to cushion and protect your touchscreen.
- Custom cut out to support Apple Pencil charging.
- Magnetic flap keeps cover closed and secure.
- Supports iPad's auto-wake/sleep function.

Connect

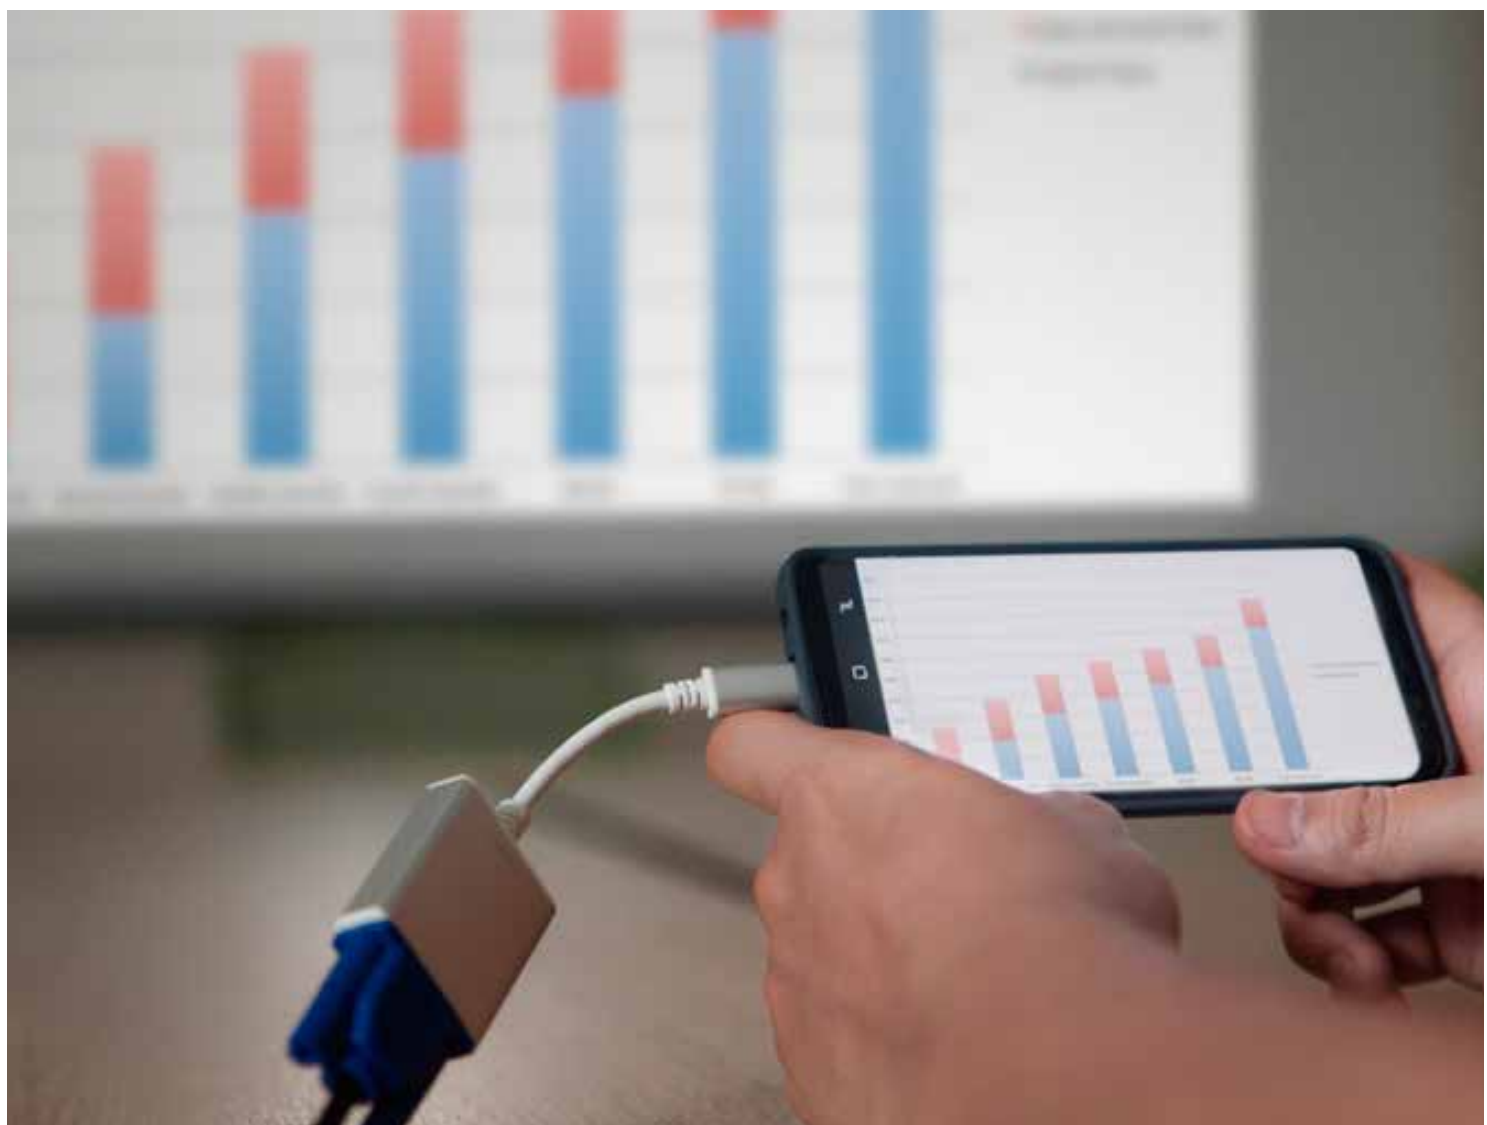

Video Adapters

Define your visual experience with high-speed video cables and adapters from Moshi.

Mini DisplayPort to HDMI Adapter Pro

Moshi's Mini DisplayPort to HDMI Adapter Pro enables output of 4K video and digital surround sound to any Ultra HD TV or monitor at a 60Hz refresh rate.

Connect

Video Adapters

The newest connectivity standard combines video, data, and power into a reversible connector, which means you'll always plug it in the right way.

USB-C to HDMI Adapter

Moshi's USB-C to HDMI Adapter enables output of 4K video at up to 60 fps and digital audio to your UHD TV or monitor.
